Dear Colonel Lawson:

Many thanks for your good letter of 7th June and the enclosure of your letter of the same date to Kelly Johnson.

I think things are working out rather well, all things considered, and I am grateful to you for your assistance in getting things done.

We are especially hopeful that the establishment of a depot shortage list mechanism will enable downstream retrieval for the Museum of those components now required for the operational inventory.

I will be in touch with you after chats next week with Kelly and
